performance
boat

MX-13

This guppy little boat is small in size, but big in performance. The MX-13 will give you a taste of what it's all about even with the smaller engines. Comes with two plush buckets up front and two pads in the rear. Too wild for some tastes, but that's the way it goes. Suitable for skiing.

Length	13'
Beam	66"
Transom	20"
Transom Beam	66"
Deck Length	72"
Maximum Horsepower	55
Approx. Weight	325 lbs.

TRV-17

Take an open bow loaded with luxury and speed for the peak of boating pleasure. CHECKMATE'S advanced Tri-V-Hull design — the result of months of experimenting and testing — creates a truly spectacular performer. The Tri-V-Hull design pushes the water away from the sides for added lift, speed and the smoothest ride possible.

Additional standard equipment
vent kit • custom windshield • 18 gallon fuel tank
with electric gauge • polished aluminum deck rail
• running lights • cleats and chocks
• upholstered ski racks

Length	17'1"
Beam	88"
Transom	20"
Transom Beam	84"
Maximum Horsepower	150
Approx. Weight	875 lbs.
